

## **REMARKS**

Examiner requested the following changes:

- 1) expansion of symbol " $\neq$ " to "does not equal";
- 2) identification of who is doing certain steps in the claims;
- 3) resolution of a conflict concerning symbol  $k$ ;
- 4) correction of insufficient antecedent basis in the claims; and
- 5) a correction to the figures in accordance with Examiner's requests.

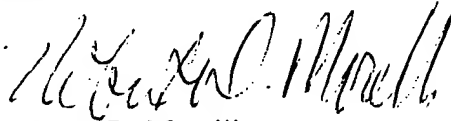

Applicant hereby amends his application in light of Examiner's request.

The present amendment required replacement figures for Figures 1, 2, 3, and 5.

Applicant submits that his application is now in condition for allowance.

Reconsideration of the application in light of the amendment is requested. Allowance of Claims 1-5 is solicited.

Respectfully submitted,
